

MEDICAL QUIZ

Najeeb Saleh Jamsheer, MD*

A young adult reported to the accident and emergency department of Salmaniya Medical center with acute colicky abdominal pain followed by fever of a few hours duration. He had generalized abdominal tenderness and slightly hyperactive bowel sounds on clinical examination. A radiograph of the abdomen, provided below, was obtained immediately.

- Q1.** List two main radiographic findings?
- Q2.** What is your diagnosis (radiological and clinical)?
